

## Safe Driving Pledge

Because I value my life and safety and that of others, I pledge that I will:

- Make driving my number one priority when I am behind the wheel
- Not engage in any behavior that will distract me from my number one priority (e.g. texting, using a cell phone, eating, reading a map or hand held GPS)
- Protect others and myself by driving safely
- Always wear a seat belt and ensure that all passengers in the vehicle wear seat belts
- Obey the speed limit and all other traffic laws
